Subject: Final Part 71 Permit for Steamboat Butte E5 Tank Battery

Ms. Koch,

I have provided a link to the administrative record that includes the final requested permit for the Steamboat Butte E5 Tank Battery issued pursuant to the Title V Operating Permit Program at 40 CFR Part 71 (Part 71). We will also be posting the final Part 71 permit in PDF format on our website at: <https://www.epa.gov/caa-permitting/caapermits-issued-epa-region-8>.

Docket #[EPA-R08-OAR-2018-0364](#)

IMPORTANT NOTE: When viewing final documents in the dockets on regulations.gov that are electronically signed, to view the valid signature, you may need to select "Enable Editing." Warning that if you actually edit the signed document, the signature will become invalid in your downloaded copy of the document.

No comments were received on the draft permit. Therefore, in accordance with the regulations at §71.11(i)(2)(iii), the permit will be effective upon issuance. If you have any questions or concerns regarding this final permit action, please contact me.

Thank you,
Christopher Razzazian
